

1 decision should be made here.

2 Actually, what the adoption of this amendment
3 would do would be to negate the decision you already
4 made as to the voting age and give that responsibility
5 to the General Assembly.

6 I sincerely urge that you reject Amendment No.

8 THE CHAIRMAN: Delegate Dulany.

9 DELEGATE DULANY: Mr. Chairman, fellow Delegates,
10 the only purpose of this amendment is to make certain that
11 all the voters of this State are full citizens of the
12 State exercising full privileges of citizenship.

13 If we have decided we want to have voting age
14 reduced to twenty or nineteen or eighteen, whatever age
15 it is, I think that that citizen ought to have all the
16 rights and responsibilities of citizenship.

17 I believe the right to vote is the capacity
18 of being a good citizen and knowing what your responsibil-
19 ities are. I don't believe we should have people who are
20 voting who do not have the responsibilities that everyone
21 else would have.
